Locally Owned and Operated.

Welcome to the 36th Annual Athens Invitational Marching Festival! This event has long been a showcase for outstanding performances by bands throughout the region and we are excited to have so many talented bands performing again today. We would like to thank the Athens Band Boosters, Kiwanis Club of Downtown Athens and Chauncey-Dover Lions for their sponsorship of our Festival. Many individuals from these organizations have worked tirelessly over the past several months to provide our competing bands with an enjoyable experience today. We especially want to thank Mark Brewer, the chairperson of our Festival committee for his work in organizing today's event. The support of our band parents and community members has allowed Athens High School to host this wonderful festival for the past 36 years.

Most importantly, we want to offer our sincere appreciation and gratitude to countless members of the Nelsonville-York band community. After the storm damage that occurred to Basil Rutter Field at Athens High School, we would not have been able to host our Festival without the sincere generosity of Terry Robb, Janice Paris, the Nelsonville-York Band Boosters, and the students of the Nelsonville-York band program. Their overwhelming assistance has truly allowed us to make our event successful.

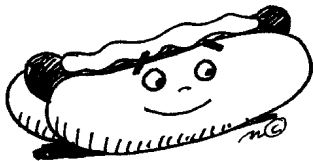

We wish best of luck to all of the bands. May you have the best performance of the season thus far! To all the families, friends and other spectators, you are in store for a day of wonderful marching and music making. We hope you enjoy it!

Sincerely,
Aaron Backes and Brandon Lias
Directors, Athens High School Band
